Clark Tournament Champions

Congratulations to the Shepherd Hill Boys' Varsity Basketball team for winning the Large School Championship of the Clark Tournament on Saturday, February 21, 2015. The Clark Tournament is the premier tournament of Central Mass with its storied history and great tradition. Every player remembers his experience at Clark.

This marks the third championship in school history and the first ever in the Large School Division. Shepherd Hill won back to back championships in the small school division in 1975 and 1976. The first championship was a unifying event for the newly formed Dudley-Charlton Regional School District and will forever be remembered by the participants and spectators as a truly special moment in time. The only other appearance in the finals was a loss to Oxford in 1980. This was also the only other appearance in the Large School Finals. As you can tell from the dates, these opportunities don't happen every year.

It takes a special group of players to achieve what the Rams did this year. With a change to the Mid-Wach A league and a new coach there were many unknowns. After a 9-0 start it was clear that this team was ready to compete. Thirteen players consisting of 4 seniors, 4 juniors, 3 sophomores, and 2 freshmen brought a new look to the court and quickly established themselves as a complete team. They all played various roles in preparing the team. Shane Cohen, Sean Gatsogiannis, Dan Gilligan, Sebastian Gruszecki, Vaughn Hammond, Drew Jean-Guillaume, Joe Michelin, Jason O'Regan, John Packard, Michael Rapoza, Davide Sarkodee, Paul Veronis, and Kyle Watkins are those special players who all had a role in making the team eligible for the tournament and preparing it for success. They are now all part of the storied history of the Clark Tournament and will always be part of a special fraternity of Champions. We are so proud of their team accomplishment.

The Rams defeated Leicester in the quarter final round 52-38 and beat Quabbin in the semifinal round 45-35 to advance to the finals against Nashoba winning 55-51 in a thriller. It was discipline and defense that got it done for the Rams in a total team effort.

Thank you to all the fans who supported the team all year and especially those who made it out to the Clark Tournament and saw history in the making.
